March 24, 2024

To Whom It May Concern:

The 2024 Southwestern Conference on Medicine took place March 21 - 24, 2024 at Westin La Paloma Resort & Spa in Tucson, AZ.

In accordance with Arizona Revised Statute 32-3248.02 which requires all healthcare professionals authorized to prescribe Schedule II controlled substances to complete a minimum of three (3) hours of opioid-related continuing medical education in each license renewal cycle, Tucson Osteopathic Medical Foundation presented three (3) hours of eligible education during the aforementioned Conference.

The physician in possession of this memo, and whose certificate for the 2024 Southwestern Conference on Medicine is attached, participated in the portions of the Conference entitled "Understanding the Impact of the MATE Act on Addiction Medicine in Primary Care" on March 21 from 3:50 to 5:20 pm and "Navigating the Intersection of Trauma and Addiction in Primary Care" on March 23 from 8:30 to 10:00 am and obtained three (3) hours of eligible controlled substances/opioid-relevant education.

Sincerely,

A handwritten signature in cursive script that reads 'Nicole Struck'.
